No Raise Is Seen In School Taxes

THE TOWN RECORD

By MONTE DAYTON

Within the next few weeks announcement of a multi-million endeavor will be announced by the Doelger company. J. C. Penney's and Wolworth's are negotiating now with the firm and will soon be a part of the Town and Country Shopping center.

Part of the new development will be a pedestrian mall. Total value of the shopping mart when completed: About \$25,000,000.

That old guff about the Westlake area residents not even knowing they were living in Daly City was soundly debunked this week out by an impromptu look-see at the entry cards for the Westlake shopping center's June 19 vacation drawing. Of the some several barrelsful, about 95 per cent of the hopefuls had indicated their address as Daly City. We plead for clemency for the five per-centers.

Big doings for this city's junior sized traffic overseers come Friday, May 29. The Daly City-Colma Lions, forever embarking on do-good projects, are escorting all the traffic boys (some 150) to a Seals' baseball contest (?) and box seats will be the order of the evening along with innumerable hot dogs, gallons of sweet drinks, lots of lung exercise—a general whing ding for the hard-working young traffic tenders. Lion JOHN RADHUBBER is chairing the outing.

HUGH SMITH, owner of Radio Station KSYM, got a nice ad package recently in the form of a \$4500 time purchase by the Chronicle. In making negotiations, the SF paper said they'd buy the \$4500 worth of time on his station if Smith would come through with a little advertising reciprocation in their publication. No soap, said Hugh, but he got the deal anyway.

Everybody would have gone without their hot dogs at the spring festival Sunday if it hadn't been for the good deed of MRS. K. GEHRMANN, who lives near the high school.

The PTA ladies couldn't get any electric current at their refreshment booth to boil up the dogs. So Mrs. Gehrman acted as samaritan and let them prepare the some thousands of wieners at her home, thereby saving the day for the famished festival watchers.

THOMAS O'LEARY of Holy Cross cemetery is still convalescing from a self-induced (indirectly) case of acute writers' cramp, brought about because of reckless driving.

Hizzoner THOMAS L. BOCCI, who sits in the muni court, not only meted out an appropriate punishment, but his verdict might rightly be called several thousand sentences.

Bocci deemed that O'Leary write "I shall obey all traffic laws" 9000 times as his chastisement.

LORRAINE DE FANTI, local librarian, who was bridal showered last Thursday by friends and relatives (no difference intended).

As boards of trustees from both Jefferson elementary and high school districts entered the final stages of budgeting for the coming fiscal year, indications were that the tax rates would remain stable.

H. Z. Weibel, superintendent of the elementary district, said the \$1.56 per \$100 assessed valuation rate, which is the legal limit, would probably not have to be upped to meet needs for the coming year. Any raise in the rate would, however, have to be approved by voters of the district.

Last year the elementary district rate jumped 60 cents per hundred to the \$1.56 figure.

Weibel said the budget for next year, still being prepared, would probably be smaller than the past year's. Reason for this, he said, was the increase in assessed valuation here. The state bases its apportionments on valuation, awarding more money to the "poorer" districts.

Therefore, the district will receive less money from the state this year, necessitating a budget cut. It has been estimated that the district will receive \$524,189.31 in state apportionment for the year 1953-54.

Weibel said the district would have to utilize all resources to meet needs for the coming year.

In the high school district, Superintendent Stanford Hannah estimated that the \$1.10 tax rate would prevail for the coming year. Two years ago the district voted to maintain the maximum rate at \$1.35 for four years.

Although the budget will be considerably larger for the coming year, Hannah said, it should be possible to keep the rate at \$1.10. He explained that new revenues from the state and the increase in assessed valuation in this district should make up the difference.

Nearly 1000 See Youth Hobby Show

More than 250 entries, ranging from glass menageries to near-life-size doll collections, were on display at the community center over the weekend, as Daly City's first annual Youth Hobby show was carried off with success.

Mrs. Eve Hobbs, chairman for the event that was instigated by the local Druids, reported that nearly 1000 persons visited the center to inspect the hobbies of (Continued on Page 2)

Army Sergeant Dies From Bullet Wound

A 26-year-old army sergeant who was shot here early Saturday by a "buddy," Sgt. Buck L. Horton, 21, died Saturday night at Letterman army hospital.

Army authorities are investigating the death of Sgt. Richard Melvin Martin, who succumbed to stomach wounds after being hit with a .32 caliber automatic Horton was carrying.

They had returned a short time before the shooting from a birthday party celebrating Horton's twenty-first birthday.

Daly City Police Chief Roland Petrocchi turned the case over to army authorities, who say no charges will be made pending further investigation.

The shooting occurred some 50 feet outside the guard post entrance to the 899th Anti-Aircraft battalion emplacement on Skyline boulevard.

HENRY DOELGER IS CALLED TO TESTIFY BEFORE GRAND JURY

Henry Doelger, developer of the Westlake subdivision, was summoned as a witness this week before the Federal Grand Jury in San Francisco which is investigating the financial affairs of Lobbyist Arthur H. Samish.

Doelger admitted knowing Samish, but his connection with the investigation was not disclosed.

He said he did not know why the grand jury had summoned him. All testimony at the hearings is secret.

TALK ON TEACHER FIRINGS FAILS TO MATERIALIZE

An "amicable" meeting of the Jefferson Classroom Teachers Association was held last week, with election of officers the chief order of business.

It had been believed earlier that the session would be concerned with the recent firing of three Jefferson elementary school teachers, but discussion on the matter failed to materialize.

Unless "extremely urgent" business presents itself before the end of the academic year, the group will not meet again until next fall.

New officers elected to the association were: Mrs. Foulia Lamp, president, from Westlake school; Hortense Sundman, vice president, from the Presbyterian church; and Inez Stauch, secretary-treasurer, from Westlake school.

Area's Top Citizen Will Be Named At Anniversary Dinner

The "Citizen of the Year" award will be presented this Sunday at the Italian-American Citizens Club's 19th anniversary dinner at Colombo auditorium in Colma.

The final decision has been reached, and a winner selected, after difficult work by members of the organization.

Urbano Maffei, secretary of the club, stated, "the winner has not only been voted for by the club, but has been picked by choice by many local people in a survey conducted by the club."

The winner will be announced and presented to the many people who are attending the dinner, and will be given an award prepared especially for this occasion.

Following the presentation and dinner, commencing at 5 p.m., the club will open its doors to the public for dancing until 12 midnight, featuring the music of "Corino."

Dan Casentini, president, thanked the many people of this area who helped by voicing their opinion in selecting a winner.

Mayor Gaggero Urges Everyone To Wear Buddy Poppy

Everyone in Daly City was urged to wear a poppy in tribute to America's war dead Saturday in a proclamation issued today by Mayor Gaggero, setting aside the day as Poppy Day.

The proclamation called attention to the sacrifice of life made by young men of Daly City in the three wars of this century and called upon all citizens to show that they remember and honor these men by wearing the War Memorial flower.

Poppies, made by disabled veterans, will be distributed on the streets throughout the days of May 22 and May 23 by women of the American Legion Auxiliary, who will receive contributions for the welfare of the disabled men and needy children of veterans. (Continued on Page 2)

Broadmoor Assn. Okeys Bond Vote

At a special meeting held on Tuesday night the Broadmoor Property Owners' association endorsed the passage of the sewer plant bond election to be held June 2.

The association's board of directors Tuesday appointed Norm Adler to act as auditor at a salary of \$30 a month.

Election of officers for the association was scheduled to be held last night (Thursday).

RAW SEWAGE PROBLEM HERE BRANDED WORST

SF Health Director May Quarantine Beach Area Soon

Dr. Ellis Sox of the San Francisco health department told the Daly City Chamber of Commerce at its luncheon meeting yesterday that his city would place a quarantine on the Thornton beach area within the next few days because of its "health menace."

At present the city of Daly City dumps its sewage into the ocean in the Thornton area. Dr. Sox said he was powerless to do anything about the beach section lying in San Mateo county, but revealed that San Francisco was going to quarantine the beach for a half-mile within their limits.

Dr. Sox, in making an appeal for the passage of a \$600,000 sewage bond election here June 2, said that with the potential growth of this area, the disposal of sewage will become an increasingly serious problem.

Dr. Chope Calls For Passage Of Sewage Plant Bond Election

Harold D. Chope, county health director, this week branded the sewage condition on Thornton beach here as "the worst of its kind existing in the Bay Area."

In making a plea for the passage of the \$600,000 sewage plant bond election slated for June 2, Chope said, "The present method of disposal results in the contamination of approximately two miles of ocean beach, with human waste visibly exposed to people walking along the beach area."

In stating that the condition was one of the worst in the Bay Area, he added that "I know it is the worst condition that we have in any of our communities in San Mateo county."

Money from the bond issue, if voted, will go to construct a primary-type sewage treatment (Continued on Page 2)

VOTING CLOSE IN TWO TRUSTEE ELECTIONS

In a remarkably low showing at the polls, incumbent trustees from Jefferson elementary and high schools districts were retained in their positions Friday.

Both candidates facing the incumbents tallied a substantial number of the votes cast.

Mildred McGeein, high school trustee, defeated her opponent, Guy Kitson of Sharp Park, by slightly more than 100 votes, 788 to 685.

In the elementary contest, with incumbent Michael Callan pitted against James McKay of Broadmoor, Callan barely edged out the other candidate, winning 535 votes, against 474 for McKay.

McKay beat out the trustee in the Westlake, S. R. Johns, and Jefferson precincts, but lost heavily at the Crocker and Woodrow Wilson polling places.

In the high school race, the Sharp Park contestant polled a heavy majority in the coastside area, but McGeein built up a solid margin in the Woodrow Wilson and Crocker precincts.

Kitson, of his 685 votes, won 338, nearly half, from the Rockaway, Sharp Park and Pacific Ma-

nor precincts. Mrs. McGeein pulled only 88 votes from that trio of voting places.

Less than 10 per cent of both district's voters showed up at the polls at the Friday election.

JEFF HIGH STUDENT IS HIT BY VEHICLE

Grace Dominici, 17-year-old Jefferson high student, was treated for minor injuries at Junipero Serra hospital Monday after being hit by a car driven by another high school youth, Jerry Yarborough, also 17, of Brisbane.

The mishap occurred just north

of the main driveway at the school shortly before class opened Monday.

Miss Dominici said she was walking down the driveway and cut across in the path of the car. She was thrown to the pavement and received bruises.

Following treatment, she was released from the hospital.

WESTLAKE GROUP MEETS WITH CITY

The Westlake Improvement association's board of directors met Monday in a closed caucus meeting with the city council to discuss traffic and other problems that have faced the Westlake area recently.

Of primary concern was the question of when the city would begin work on the park for the area.

The council said that they would send a bulldozer into the area in about 60 days to begin cleaning out the willow trees. The site is located adjacent to the proposed sewage treatment plant, near the intersection of Alemany and Lake Merced boulevards.

The association also made a request that six signs reading "children at play" be posted in the area to curtail speeding. The council said they would discuss the matter with the police commission.

The Westlake group was also (Continued on Page 2)

Check Writer With Seven Names Is Arraigned In SSF

John C. Webber, 23, who apparently likes to write for his livelihood, was arraigned in municipal court Tuesday and will appear in Superior court May 28 on three separate felony charges involving bad checks.

Police said he gave the Westlake Camera shop a bad check for \$125 last Thursday.

Saturday the audacious penman offered a \$128.54 check at the Associated Service station, Alemany and Lake Merced boulevards, to cover the cost of two new tires.

When the attendant noticed the signature "Tom J. Wilson," one of Webber's alleged seven aliases, he called police. All stations here had been alerted to watch for checks bearing that signature.

Police say Webber has passed a number of worthless checks on San Francisco service stations.

For his folly, Webber will answer to counts of forgery, fictitious check writing, and attempts to pass the spurious tender.

Schools To Present Physical Education Demonstrations

The Jefferson elementary school district's schools will present physical education demonstrations during the week of May 25-29.

The demonstrations are designated to show what is taught during the physical education class periods.

The program of physical education in the elementary schools aims to develop the child's physical and mental skills, to develop his ability to get along with others and to teach him activities that he may use during recreational hours, the district announced.

The public is invited to see these demonstrations on the following days:

Monday—Jefferson school, 11:15-11:45 and 1:30-2:30.

Tuesday—Garden Village school, 10:11-11:45; Woodrow Wilson school, 1:20-2:30.

Wednesday—Crocker school, 10:11-11:30 and 2:30-3:30.

Thursday—Colma school, 10:20-10:40; Benjamin Franklin school, 10:50-11:10 and 3:20-3:40.

Friday—Westlake school, 10:30-11:20; General Pershing school, 1:20-2:00.

Plaudits Are Given To Festival Workers

A crowd of several thousand persons were on hand Sunday to witness and partake in Daly City's fifth annual Spring Festival.

The event was opened with several selections by the Daly City band, under the direction of George Brenner.

Highlighting the day's spring festivities was the crowning of the queen, Charlene Haight, by City Administrator Dan Anderson.

The festival was sponsored by the local recreation department, under the direction of James Mason.

The director lauded the following individuals and groups for their aid in the project: Gertrude Green and Edna Mille, queen committee; Mrs. Harry Bosberry, coordinator for the PTA festival committee; Mrs. Ann Eason, chairman of the booths; Daly City Garden club; Girl Scouts; Boy Scouts; Troop 249; Daly City band and the director, George Brenner; Carrol Ray Studio of Dance; Bunny Carroll Studio of Dance; Louise Andress Dancing Dolls; Leota's Dancing school; Jimmy Kreuzer, harmonica soloist; high school board of PTA.

Bids for construction of a million-dollar Skyline freeway, to extend from Daly City to Hog Ranch (Pedro) road on the coastside will be called for about July 1. THE RECORD learned yesterday.

B. W. Booker, assistant state highway engineer, said the three mile section of six-lane highway, which will be a re-alignment of the present Skyline boulevard, will mark the first section of a 40-mile freeway to extend from Daly City to Los Gatos.

The initial section will be built at a cost of about \$950,000, Booker said. The segment will contain at least two "clover-leaf" traffic interchanges.

One has definitely been slated for the Hog Ranch road intersection and the other at the Daly City terminus of the present Skyline.

Booker said plans for the local section were in preparation now.

Coinciding with Booker's announcement, it was also revealed this week that the state plans to develop the entire area west of Skyline near Thornton beach, for a state park.

The city council this week received a letter from the state highway commission asking them not to approve further developments or improvements on any land west of Skyline here, since it would be taken for right-of-way.

They also notified the council that the division of beaches and parks were "interested in acquiring" (Continued on Page 2)

Labor Continues In Teacher Probe

The County Central Labor council continued their investigation this week into the firings of three Jefferson elementary school teachers.

Carl Cohenour, secretary of the council, said the probe is mainly concerned with whether the teachers were dismissed because of alleged union activity.

Cohenour said the council had come up with no new developments this week.

The council's executive board met Friday to "review and discuss" the firings.

The labor representative said as yet they have found no reason for the dismissals.

Meanwhile, the California Teachers' association filed representative, Harry A. Fosdick, said no new action was reported in the dismissal of 11 high school teachers here.

He said as yet he had received no word from the board of trustees. At the last meeting of the board Fosdick presented a plan for furthering good relationships between administrative workers and teaching personnel.

Dr. Chope Calls For Passage Of Sewage Plant Bond Election

(Continued from Page 1)
plant to the east of Lake Merced boulevard, at its juncture with the Westlake area.

The election is being held under auspices of the North San Mateo County Sanitation district, which includes Daly City, Colma and Broadmoor.

Chope revealed that this district is the last of the large communities in the county to take steps to construct sewage treatment facilities.

At the present time the district is in "distinct violation" of standards set up by the Regional Water Pollution Control board, according to Chope.

He also explained that the plant project is mandatory, and if not constructed through general obligation bonds, the facilities will have to be built through assessment district proceedings by the state. This would mean the same facilities would cost 40 or 50 per cent more and the bonds would have to be paid for in a shorter period of time, Chope said.

He concluded that "It is of utmost importance that the individuals living within the community now take steps to make funds available so that safe and adequate disposal of their waste products can be properly accomplished."

All entrants received a ribbon of merit for putting their collections on display.

Among the varied exhibits were more than 50 model planes, nearly 100 assorted dolls, many selections of stamps and one coin collection said to be worth \$2500.

Mrs. Hobbs said that on the opening day of the exhibit, Saturday, the center was kept open until 10:30 p.m. to accommodate the many interested visitors. She estimated attendance in excess of 400 on both days.

Hillcrest and Cypress Circles and Olive Grove order of Druids sponsored the event, which they say will become an annual function.

Assisting Mrs. Hobbs in preparation for the event was Al Garibaldi of the Olive Grove.

Although the city has sought to have three-phase signals, one for left hand turns, installed, the state has announced that the cost would be too high.

The highway commission estimated it would cost \$105,000 for the three phase set-up, and only \$43,000 for two phase.

Of this last figure the city will pay \$13,000.

Local Residents Are Invited To Tonight's Fuchsia Group Meet

Residents of this area have been extended a cordial invitation to attend the regular monthly meeting of the new-formed Westlake Fuchsia society, which will be held tonight (Friday) at 8 p.m. in the Westlake club house, 95 S. Mayfair avenue.

Purpose of the club is to hold regular meetings for exchange of ideas on Fuchsia culture, to create interest in the hybridizing of new varieties and to further the accurate nomenclature of the flowers.

Each member receives the monthly bulletin of the American Fuchsia society, keeping them abreast of the latest developments.

Jeff High Students Seek Summer Jobs

The end of the school term and summer vacation are nearing for the students at Jefferson high school. The last day of school is June 12. School will re-open September 14.

Many students are asking the school counselors to help them find summer work. Requests for work vary from baby sitting to lumber camp jobs. Boys are asking for jobs such as—stock boys, paper routes, yard cleaning, farm work, labor jobs, delivery boys, clerk jobs, etc.

Girls will baby sit, clerk, type, work in stores or offices. These students ages run from 14 to 18 years.

Anyone interested in seeking student summer help may contact the high school by calling either: Miss Wood, dean of girls, or Mr. South, dean of boys, PL. 5-6661.

"In memory of the sacrifice of life by many young men of Daly City in the three wars of this century, and by authority of the powers vested in me by the people of Daly City, I, Anthony J. Gaggero, hereby proclaim that May 23rd, 1953 be set aside as Poppy Day. Every citizen in Daly City is urged to wear a poppy on this day as a tribute to our war dead."

Present were Miss Mary Belli, Mrs. Louise Baccoccio Brent, Mrs. Jean Suenderman, Miss Gertrude Stanghellini, Mrs. R. Gomez, Mrs. R. E. Damon and Mrs. Pauline Palistrini.

Also attending the tea to congratulate workers, was Mrs. Henry Bostwick Jr., general women's division chairman for the fund drive.

Colma Reaches Goal In Red Cross Drive

Dan Andersen, district 6 chairman for the 1953 Red Cross fund campaign, today announced that Colma has reached its quota of \$2190.00.

He praised Mrs. Margaret Pauline Brown and Mrs. Helene Mori, co-chairmen for the Colma area, and their volunteer helpers, for a fine job in achieving 100% of their goal.

Daly City, he stated, with a quota of \$2321.00 has reached the 85.6% mark. "Let's give that final, extra effort," Andersen said today, "and put our entire district 6 over the top."

Mrs. Brown and Mrs. Mori were co-hostesses recently at a tea at Mrs. Brown's home, honoring volunteers who worked on the Colma drive.

Present were Miss Mary Belli, Mrs. Louise Baccoccio Brent, Mrs. Jean Suenderman, Miss Gertrude Stanghellini, Mrs. R. Gomez, Mrs. R. E. Damon and Mrs. Pauline Palistrini.

Also attending the tea to congratulate workers, was Mrs. Henry Bostwick Jr., general women's division chairman for the fund drive.

SMALL TURNOUT AT HOMEOWNERS MEET

A small gathering of some 30 people turned up Wednesday night at the meeting of the Daly City Homeowners' association, a group recently formed to investigate high taxes in this end of the county.

Petitions protesting high taxes were handed out to those present, with the objective in mind of obtaining as many signatures as possible.

During the meeting, conducted on a forum level, various members of the audience complained

Hatch Flunks First Literary Effort

In a three page, single spaced vindication of all that he and the three other supervisors have done in this county, Alvin Hatch, chairman of the board, this week rebuffs Supervisor Tom Callan Sr. of Colma.

After dwelling lengthily on sundry charges made by Callan, and giving appropriate defenses for each one, Hatch goes on to say that after the reader has consumed the contents of this manuscript, he will see "that the statements made to you by Supervisor Callan are remote from actual conditions in the county."

For lack of space, we are concerned mainly with taking issue with one gross bit of double-talk that Hatch includes in his think-piece.

At a recent board meeting Callan said "God help the taxpayers."

Hatch answers this in his text with a hodge-podge of numerical material, topping it off with the statement that the general tax rate of this county is next to the lowest of any in the state.

Tha doesn't mean a tinker's damn.

The tax rate could be lower than Lower Slobovia's (we haven't precise figures available, but it must be low) but if the assessments were proportionately high enough the tax rate could be confiscatory, a state which it is nearing now.

Hatch goes on to say that Callan's charges to the effect that assessments were out of order in the north end of the county were false, and he backed this up with assorted facts, apparently picked at random.

When the county tax collector, Ralph C. MacArthur, says point blank that assessments in this end of the county are outrageous, that's good enough for us. He ought to be in a position to know.

Therefore, with all due consideration for the literary efforts of the quartet of dignified supervisors who have had their "gentlemanly" dignity ruffled by the Colma board member, we must concur "God help the taxpayers."

Needed: A Little "Give" On Both Sides

The state's teacher tenure law has stirred up one of the hottest educational controversies here in a long time.

On one side the Jefferson high school district, faced with tenure for the first time, failed to renew contracts of 11 of their teachers, a figure large enough to prompt more than mutterings from the teachers involved and other interested groups.

On the other hand, the Jefferson elementary district, where tenure has been in effect for several years, only dismissed three of their faculty, but the firings were said by union organizations to have been brought about because of union activities on the part of the teachers involved.

The California Teachers association and the American Federation of Teachers have both entered most verbally on the scene.

There are indications that some of the teachers may sue to regain their positions.

The situation has become one of blacks and whites, with advocates of both sides refusing to give an inch either way.

However, we believe both the trustees and the teachers are behaving a little obstinately.

The institution of the tenure law, which guarantees that after three years of service a teacher's position is permanent, was one of unpredicted consequences.

It means that after the district re-hires a teacher for the third consecutive year, that instructor is firmly entrenched in the school for the next few decades.

The tenure law is beneficial in that it gives security to the teachers and does away with chances

of unfair dismissal after many years of commendable service.

But, contrariwise, it means that the trustees, after only three years acquaintance with a faculty member, might be awry in their judgment and give that person tenure, only to find eventually that they have given away a life's career to an incompetent.

With this in mind, it is understandable that the district weighs heavily each teacher up for tenure.

However, a board of trustees, made up of a few individuals from the community, shouldn't be allowed to act as a board of last review when such a weighty decision is at hand.

We believe that the administrators and the teachers, along with the trustees should establish some sort of joint board to hold continuing studies and counseling with teachers.

In this way, the teachers' opinions, teamed with that of the trustees, might be combined to good advantage in rendering final decisions on personnel matters.

As far as the school district's right to fire, that is gainsaid.

When the time comes that an employer can't choose his help, or screen his personnel, this country's situation will be sorry indeed.

But, in this case, we think the board could use a little assistance from the teachers, who are probably more familiar with the deficiencies of their fellow instructors than the board realizes.

The tenure law brings with it crucial decisions, and with it should come a little more profound thought than has been evidenced to date.

An Answer To An Urgent Problem

What may be the answer to the lackadaisical civil defense organization in this city lies within reach.

In June of this year Arthur J. Bodien, superintendent of the water department retires.

Bodien was the man, who in 1938, before actual hostilities began, had the foresight to develop a top-flight civil defense team here—an organization that served ably during the war years and was labelled one of the top best in the state.

Many persons pooh-pooh the idea of civil defense because invasion of air attack seems so remote.

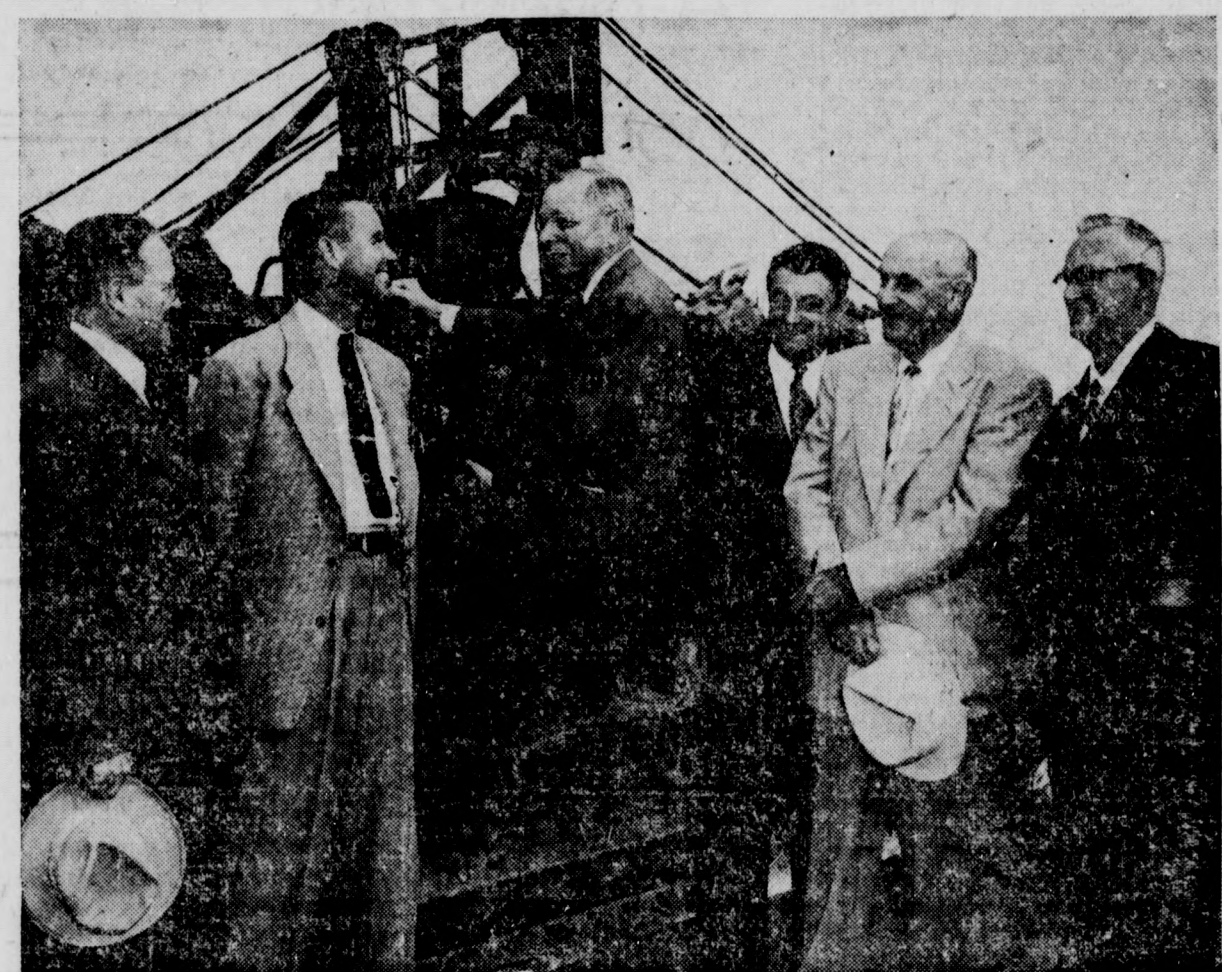

That is a fallacy, but the value of civilian training in defense goes beyond actual combat.

In times of disaster the CD is standing by, ready to carry out mercy duties at a moment's notice.

A fully equipped corps could put a damper on disaster—it could save possibly hundreds of lives and untold property by meeting catastrophe head-on.

For this reason, we believe Bodien would be the right person to take over the job here.

He knows the work, he's proved himself and, with a few more spare hours at his disposal, we think he could remedy the situation here that has been marked by unbending apathy in the past.

COUNTY AND FAIR officials on hand as ground was broken at the San Mateo county fairgrounds this week for three new buildings were, left to right: Ralph MacArthur, treasurer for the Fair Association; Supervisors, Martin Poss, Alvin Hatch, chairman, (with shovel) and William Werder; Morris Daley of Burlingame, general contractor; Fair Association president, A. J. Gaggero, Daly City mayor; Fair Association vice president, Elmer Roberts; County Supervisors Thomas Callan and E. R. McDonald; Fair Director A. H. Sagehorn.

Work Proceeds On County Fairgrounds

Work is underway today at the San Mateo fairgrounds on construction of three new buildings which are scheduled for completion to the opening date of the 1953 Fair and Floral Fiesta on August 14th. One of the buildings will house the home and industries exhibit, another the textile, home economics and agricultural exhibit.

bits. Between these will be the new theatre which will seat 2800 for each show. Cost will exceed \$115,000.

At ground-breaking ceremonies Tuesday officials expressed pleasure over progressive steps being taken to make San Mateo's fairgrounds one of the most modern in the west, with permanent buildings and landscaping. Some 800 cubic yards of concrete will be poured for these three buildings within the next two weeks, according to Morris Daley of Burlingame, contractor.

Subscriber Thinks Scavengers Deserve Recognition For Work In Clean-up Week

Dear Sir:

I would like to compliment you on your wonderful work and effort on THE RECORD. I have taken the paper for eight months and have been very pleased with it. I would, though, like to ask a favor of you.

Last week you had in the paper a picture of Mr. Gaggero and Mr. Kennedy representing the "Daly City Clean-Up Week." It tells who inaugurated the plan and why.

But, I think you should give some credit to the unnoticed, hard-working men, though unappreciated, who make this possible—the Daly City Scavenger company. It's the scavengers who get up at 4 a.m. and work hours overtime to pick up the garbage and extras.

I think it would be very nice and well appreciated if the Daly City Scavengers had their picture or at least a bit of thanks in the next edition of your paper. I'm sure they will appreciate it very much. Please see what you could do.

Thank you very much for your time and understanding.

Trustee Appreciates Publicity

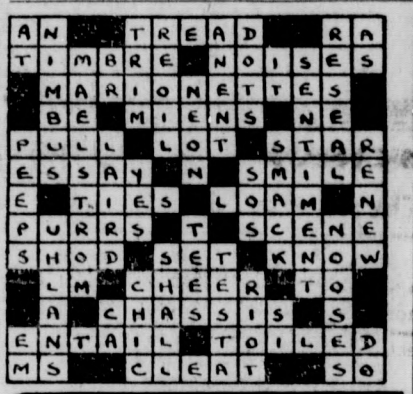

I would like to take this opportunity to thank you for the publicity given me in your paper regarding my candidacy for the Jefferson union high school trusteeship.

I should also like to express my sincere appreciation to all of the friends who supported my candidacy for re-election to the board of trustees of Jefferson union high school, Friday, May 15.

As a member of the board, all of

my efforts during the past three years have been conscientiously directed toward the educational welfare of the youth of the community and to see that the taxpayers received maximum value on their tax investment. Your vote of confidence will greatly influence a continuance of these policies during the next three years.

Sincerely,
Mildred McGeein

HOW CAN I?

By Anne Ashley

Q. How can I aid digestion?

A. A good habit to acquire is to take two glasses of cold water before breakfast. This will aid considerably in digestion. However, some people prefer a glass of hot water, with or without the juice of a lemon, on arising.

Q. How can I avoid having permanent stains in garments?

A. Never press a garment that is stained, as this makes the stain permanent and it cannot be removed without professional help. The spots should be cleaned before pressing.

Q. How can I combat bed bugs?

A. Try beating together some corrosive sublimate and white of eggs. Apply frequently with a feather to both bed and mattress.

Q. How can I keep persley fresh for a long time?

A. If put into an airtight glass jar and then placed in the refrigerator it will stay green and fresh for a long time. This is a much better way than trying to keep it in water, where it usually turns yellow within a day or two.

Q. How can I make a substitute for a shoe horn?

A. If no shoe horn is handy, lay a corner of a handkerchief into the shoe, and, grasping the remaining portion firmly, use in the same manner as a shoe horn.

Q. How can I prevent moths in a rug that is to be stored?

A. Sprinkle the rug with cayenne pepper and then roll it up in newspapers.

Q. How can I be certain of good results when painting over varnish?

A. First clean the surface thoroughly, removing all dirt and grease by washing carefully with turpentine or mineral spirits. Then dull the gloss by rubbing with steel wool or sandpaper, finally wiping off all dust.

Q. How can I make the canary take a bath?

A. Oftentimes one may induce the canary to take its bath by sprinkling a few seeds on top of the water in the pan.

Q. How can I vary the flavor of lemonade?

A. The flavor can be improved by the addition of grape juice.

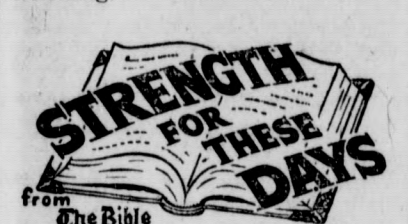

Simply use one-third grape juice to two-thirds lemonade.

Q. How can I remove grass stains from clothing?

A. If the material is washable, dip it as quickly as possible into lukewarm water and a mild soap suds. Rub until the stains come out, and then rinse in clear, warm water. In the case of non-washable fabrics, sponge with denatured alcohol, rubbing gently until the stains disappear.

Q. How can I prevent linoleum from cracking when it has been rolled and stored away for some time.

A. Before unrolling it, place it before a fire for a few hours and let it get thoroughly warmed. This will eliminate any danger of its cracking.

Who shall not fear Thee, O Lord, and glorify Thy name? for Thou art holy: for all nations shall come and worship before Thee: for Thy judgments are made manifest. —(Revelation XV. 4.)

We are living in days when there are men and nations who glorify only their material might and mortal leaders, and when there are in the skies frightening things we do not understand. We face great dangers. But if we ourselves, as people, live in the Lord and have faith and strength in His Word, the forces of evil cannot overcome us.

Jeff High Delegation Attends Regional Meet Of Junior Statesmen

A delegation from Jefferson Union High school went to a regional convention at Mount Diablo High school Saturday to elect new officers for the Golden Gate region of the Junior Statesmen.

Those attending from Jefferson high school were: Dixie Caron, Sandra Capitanish, Carol Bertelli, Alice Quickert, Sidney Warren, Henry Miller and chairman of the delegation, Joseph L. Bocci Jr. The posts that were elected were mayor, speaker, comptroller for this region.

The new officers are: Mayor, Jim Mack from Capuchino high school; speaker, Steward Hall from Oakland high school; and comptroller, Joseph L. Bocci Jr. from Jefferson high school.

This region includes twenty-five schools in northern California. There are also a central and a southern region, making the total number of schools in this organization sixty-eight.

MY MAD WORLD

by Leonore Brewer

Among the musical events to be commemorated this coming week is the opening of the New State opera house in Vienna on May 25, 1869.

After pausing to mourn for a brief moment the error in celestial calculations that delivered me to a midwest city in this century instead of to Vienna about 1840, I hastened to the library. There I would find dozens of little-known events that must have occurred, and with which I would recreate this opening night with all its first magnitude brilliance. I rejoiced in the sure knowledge that my next week's column would be scintillating.

That May night long ago the imperial box glittered with its royal occupants: Francis Josef, his private life already darkened by the tragedy of Maximilian and Carlotta, and the long shadows which were to engulf his empire; his beautiful Elizabeth, with the sorrows of Mayerling still twenty years in the future, and destined to die at the hands of an anarchist.

I read that they chose Don Giovanni to open the opera house, and I wandered off into a quiet corner to be alone with Mozart. To read that before the opera's premiere in 1787 he had written the overture in three hours; that the hastily printed music sheets were still damp when the curtain rose and that with him at the piano the musicians played it without rehearsal.

I read of his death in 1791. There were but a few friends present at the services at St. Stephen's, and the weather being terrible, it was December, nobody followed him on his last journey.

There were so many years between 1791 and 1867 that I became lost in them and never did find my way back to that opening night for which I searched. Depressed by Mozart's death and the knowledge that my column would be something less than scintillating, I left the library. Once outside, my ears which had been listening to the chimes of St. Stephen's and the sound of carriage wheels rolling across cobblestones, heard instead the brewery's bells singing.

"O My Darling Clementine," barely audible over the ceaseless din of raucous voiced automobiles. I sighed, and went home.

Announce Winners In Legion Essay Competition Here

Winners of the annual American Legion essay contest held by the American Legion Auxiliary have been announced by Mrs. Margaret Rector. Three Auxiliary chairmen participated in this event, with Mrs. Rector for Daly City, Mrs. Peggy Merchant for Broadmoor, and Mrs. Maude Mullin for Brisbane.

The 4th, 5th and 6th grade essay topic was "The History of Our Flag." First award went to Lynn Kirkhofer; second award to Barbara Whitley and third award to Irene Crane, all pupils of Jefferson elementary school.

The 7th, 8th and 9th grade essay topic was "Why America Is Called the Cradle of Democracy." First award went to Sandra Dalman, second award to Carol Hansen, and third award to Dick Stookey, all pupils in the ninth grade of Jefferson Union High school.

The 10th, 11th, and 12th grade topic was "Why Americans Should Vote." First award went to Barbara Wheeler, second to Dave Hooland and third to Martha Whitehorse.

Barbara Wheeler and Sandra Dalman also were winners in the Auxiliary district contest in San Mateo county, taking third awards for their excellent essays.

Prizes for the winners in all places will be awarded some time in May with the date to be announced later.

"This essay contest is sponsored annually by the American Legion Auxiliary in order to help promote a better understanding of what America means to all of us. The students of the elementary and high schools are encouraged to think constructively about the advantages we have, that a re found nowhere else in the world today," Mrs. Rector said.

The chairman for this event have expressed gratitude for the fine response shown by students in the large number of excellent essays submitted through their schools.

"It is in activities such as this by the American Legion Auxiliary and similar organizations, and with the splendid cooperation of our school officials, that our youth will grow to know the meaning of Americanism," Mrs. Rector concluded.

Q. How can I prevent flies around the garbage can?

A. If the contents of the garbage can are sprinkled daily with kerosene, it will discourage flies.

FIRE FIGHTERS' FACTS

By Mel Hanson
Fire Prevention Bureau

Spring Clean-Up Week started off with a bang Monday morning. It is very gratifying to see so many persons participating in this campaign. In checking over the city from time to time it was noticed a great deal of flammable material being discarded. We in the fire service feel certain that many potential fires have been eliminated in the homes and businesses.

This clean-up campaign has a slogan as almost every campaign has, but we believe this slogan has a special meaning to those persons who are proud of their homes and city: "Clean Up, Fix Up, Paint Up."

Many persons have taken it to heart. As proof of this statement, just notice the many homes being painted, repaired and cleaned up this week. In a short time at the rate of progress in cleaning, painting and repairing going on in Daly City we will have one of the nicest communities in the Bay Area.

Joint Meeting

The Peninsula Fire Chiefs' Association and the Fire Marshals' and Inspectors' Division of San Mateo county held a joint meeting at the Plantation restaurant in Los Altos Tuesday evening. The main purpose of the joint meeting was installation of officers of the two groups for the coming year.

Chief Bassett of Los Altos is the new president and Chief Lodi is the new vice president. Robert Carel of Campbell was installed as secretary-treasurer for the 11th year.

The inspectors division installed Herb Nelson of Palo Alto as president and Russell Batten as vice president. Mel Hanson of Daly City was installed secretary-treasurer for the second year.

The most outstanding portion of the evening was the announcement of Ernest Werder as new chief fire warden of San Mateo county. The announcement was made by Ex-Chief Bert Werder. Chief Werder presented his son, Ernest, with the chief's badge. The same badge that Bert Werder had worn so proudly for the past 30 years.

Fire Works

The Fourth of July and its accompanying problems is rapidly approaching and we feel that some local publicity on the fireworks regulations would be in order. Ordinance No. 177 of the City of Daly City states in part that it is unlawful to sell or give away any fire works, or offer for sale any fire works or advertise the sale of fire works. No. 2 state in part, "It shall be unlawful for any person to fire, discharge or set off any fire works in the City of Daly City."

TEN YEARS AGO IN THE RECORD

Thursday, May 20—Fire Chief Andrew P. Chesney represented Daly City at the conference of Northern California fire chiefs in Merced Saturday and Sunday. He will make his formal report to the city council at their regular Monday night meeting.

Danny Casentini and Miss Mary Frances Codomo of Santa Barbara were married in a double ring ceremony May 2 in Santa Barbara, where Casentini is stationed with the U. S. Army as a private first class.

Casentini has a wide circle of friends and relatives in the Daly City area.

R. L. Gray, popular instructor at Jefferson high school for the past 12 years, is joining the American Red Cross as an assistant field director.

He leaves by train tonight for Washington, D.C., where he will take an 18-day course to fit him for his new duties.

FIFTEEN YEARS AGO IN THE RECORD

Friday, May 20—Scores of mothers of students attending Jefferson high school were honored Tuesday afternoon when the PTA invited them to tea.

An interesting part of the afternoon was a fashion show under the direction of Miss Mary Jones, domestic science instructor.

Those displaying woolen frocks were: Lillian Larson, Elizabeth Palmieri, Florine Capurro, Ruth Thompson and Elsie Demergasso. Suits and coats were displayed by Beth Davis, Evelyn Taylor, and Beth Nelson.

Those modelling silk dresses were Myrtle Groefer, Ann Pardini, Louise Henriksen, Helen Larson and Lillian Larson.

Mrs. John De Perrio was hostess at a stork shower given recently at her home on Lyle street, San Francisco, in honor of Mrs. Owen Greene, of Theta avenue.

Many lovely gifts were received by Mrs. Greene.

Those present were Mesdames Fred Horton, Ed Greene, Al Witt, Al Rich, Russell Orr, Alice Lagomarsino, Owen Green and John De Perrio. Also Misses Sarah Keley, Betty Orr and Ruth Greene.

TWENTY FIVE YEARS IN THE RECORD

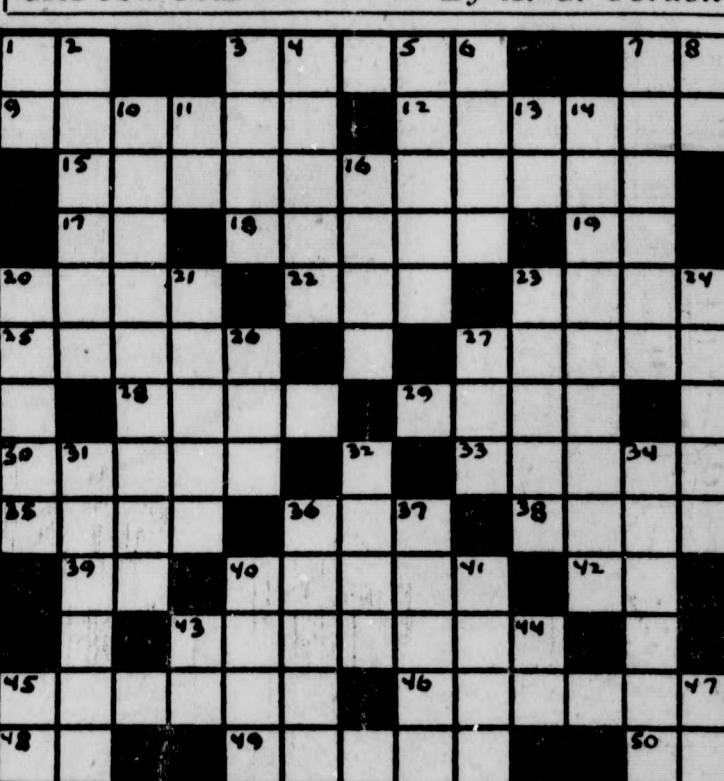

Death transformed a happy picnic party on Russian river into a grim tragedy Sunday when Mrs. Celestia Wright, 25, was drowned within sight of her 4-year-old son as her husband made a heroic effort to rescue her.

The husband, Albert C. Wright, narrowly escaped a similar fate when his frantic wife pulled him beneath the surface of the river as he reached her side and attempted to save her.

Section No. 3 states in part the word "fireworks" will include any devices to produce noise, light or pyrotechnic display.

Section No. 5 states in part that any violation of the ordinance the violator may be fined \$300 and face imprisonment not to exceed three months, or both.

St. Vincent de Paul Society Makes An Appeal For Support

For the third time in one hundred years of spiritual and material help to the needy (mostly those who are not eligible to receive aid from the usual agencies) the Society of Saint Vincent de Paul is making a public appeal for help itself.

Pointing out that the Society is "making its appeal not for funds, but for support of its salvage operations," Joseph A. Powers, president of the San Mateo County Council declared the drive would be conducted in commemoration of the centennial observance of the Society's founder, Frederic Ozanam.

"We can use anything—clothing, furniture, household goods, old magazines, newspapers," he said. "The care of those in need is our responsibility," he continues, "and aid is given regardless of creed, race or color. We are prepared to make available to those families the articles they need without cost—providing the more fortunate continue to give us their discarded."

"We must remember, too, that not only the very poor need our help. Those with large families and low income often need assistance. These families, for the most part, can and want to pay their own way but can't quite stretch the budget. Our Salvage Bureau stores make it possible for them to buy what they need."

The drive will be conducted during the week of May 17 to 23, Powers said, and donors are asked to call PLaza 5-4346. A Society truck will pick up the articles.

Youthful Hobbyists Display Handicrafts, Etc. At Center

FIRST HOBBY SHOW for Daly City youth was held over last weekend at the community center. Nearly 300 entries were on display. The local Druids, who sponsored the event, plan to make it an annual function.

Ocean View Church Celebrates Pentecost

The Ocean View Christian church, temporarily located at 107 Sagamore, just off San Jose avenue, celebrates Pentecost, the nineteenth hundred and twenty-fourth birthday of the church next Sunday, beginning with the Bible school program at 9:30 o'clock.

At that hour "The Conversion of Saul" will be seen in motion picture. It is a graphic description of the beginning of the church.

It will be "Guest Day", and coffee-time will follow the service. Dr. McConnell has chosen for his theme "Some Churches I Have Seen." He speaks at 10:45 o'clock.

Young people will meet at the parsonage at 7 p. m. under the sponsorship of Mr. and Mrs. Harold Emmert, and Mr. and Mrs. Keith Sigars.

Bible study will be held on Thursday evening in the home of Mr. and Mrs. Denzil Carlisle, 326 Victoria.

WOMEN OF MOOSE TO HOLD OFFICERS MEET

San Francisco Chapter No. 739, Women of the Moose, will hold an officers meeting at the home of Recorder Gladys Sisco, 26 Del Monte street, on May 26, at noon.

The group will hold their regular business meeting on May 28 at 26 Seventh street at 8:15 p.m.

There will be initiation of new co-workers to be followed by the memorial services of departed co-workers.

YOUR NEIGHBORS AND MINE

By Betty Brush

Once again this is being written to the tune of the drill, compressor, stamper, pick and shovel. The vicinity of Knowles and Santa Barbara is no place for a rest cure.

While on this subject, one of the neighbors has a gripe. Seems a week ago MRS. MOLLY WALTON walked out the back door and lo and behold—no fence. No notice, no knock on the door, no anything. Just go ahead and tear down the fence so the highway can be fixed. Seems to many that a fence is just as much a part of a person's property as the doors or roof. It only seems fair and just that courtesy and consideration could have been shown this neighbor before the incident and not after a complaint had been put in.

Heard again from the "wandering HARLANs" (Footie and Bud). They are now in Montana visiting Bud's sister and from there they are going to see more of the state of Montana as they travel to Butte to visit his father. They figure to be on their way again in two weeks.

One of the most original mother's day gifts was bestowed upon MRS. H. COOPER of Winchester street this year. Her son, Louie, who has a new motor scooter, gave her a ride all the way to San Jose and back. Helen is by far one of the most brave women I know and should be given a decoration of some sort—for confidence, if nothing else.

Items of Interest
A luncheon was given last week by MRS. W. R. CLARK of Knowles avenue in honor of MRS. JOSEPHINE LAMENDOLA on her forth coming marriage. Ladies present at this affair were Mesdames HAZEL SULLIVAN, DOROTHY STEWART, MILDRED SIMS, ISABELLE LIBERTI, MILDRED BARONI, BERNICE GUSTAFERSON and of course the guest of honor JOSEPHINE LAMENDOLA.

Congratulations Jo, all your many friends are very happy to hear the news. Jo is well known in "our town" having been an active member of OLPH Mother's club and choir member for a number of years.

MRS. JOHN MULLER was hostess at a Mothers' Day dinner this year for her family and friends. Knowing her reputation as a cook and hostess, the neighbors are sure that this event was thoroughly enjoyed by all.

The sympathies of "your neighbors and mine" are extended this week to the O'BRIEN family. They are old time residents of Daly City, although having left us for Sharp Park. MR. O'BRIEN, like many another of the neighbors, was an ardent fisherman. He had gone fishing by himself in a boat and when he failed to return a search was made. When the boat was finally found, Mr. O'Brien was found to have passed away.

Seems you can't keep a good man down. MR. JOE LARSON of Los Banos avenue has just about recovered from his fall of several weeks ago. After every impatiently "taking it easy" for a while, Joe finally prevailed on his family and off they took to Boulder Creek for the week end. According to Joe, who should know, Boulder Creek is the best place in the world to rest up.

As the weather gets warmer (?) more of the neighbors are packing up the car and taking off. Friday night saw the ALLEN BRUSHES and the ARTHUR ALVISOs leaving us for Felton. Many good times have been had at their cabin, the "Stumble In" and here's wishing them all many more.

MR. ED. STONE of Theta avenue has also taken a trip. Seems that Ed has left for a visit with his family and friends in Minnesota. He figures to be gone about two weeks and should be on his way by the time this is read. The Stone family have lived in our town for a number of years and all of Ed's friends will be glad to see him on his return.

Service men
A2/c SYL CRUZ JR., who has been in Korea for the past few months, has been transferred to duty in Japan according to the last word received by his mother. This is good news and all the neighbors hope that the next stop will be home. Syl, like all the

other servicemen, gets THE RECORD and keeps up with the travels of his friends through their compliments.

Appr. Seaman RICHARD E. NEGERBON, formerly of our town, has completed his leave and has been assigned to the USS Hopewell for overseas duty. Any and all of his friends who would like to write him may do so by addressing App. Seaman Richard E. Negherbon, USS Hopewell, c/o F. P. O., San Francisco, Calif. I don't have to tell you neighbors, what a letter means to the fellows. There are many of the neighbors who not only write to their own sons but to many other boys besides. How about it?

CPL. ROBERT E. STONE was home on leave this weekend and is looking fine. He is at present stationed at Camp Roberts but will leave there soon for new duty at March Field. Bob, in case some of the neighbors haven't heard, has recently returned from Korea and the rest of his service will be in the United States to the delight of his family and friends.

SEAMAN ROBERT HARPER of the Merchant Marine left last week for New York by way of the Panama Canal. He expects to return by the end of the month.

The boys are in every branch of the service and it will be a great day when they all get home and see each other again.

This is the final reminder to buy your Buddy Poppy. Beginning this weekend the Old Glory Post, VFW, will greet you on the street with a smile and a Poppy. Many of the ladies belonging to this organization are Ladies Auxiliary hospital volunteers. Duties of the volunteers vary with the wards to which they are assigned. The volunteer may take over the duties of feeding the patient, read or write letters, talk to the boys or just listen to the boys when they are lonely and want someone to talk to. There is not time enough to tell of the many tasks performed, of the faithful work done by the Ladies Auxiliary. Remember this, neighbors, and remember also that someday it may be your boy who is being

Plan County Council For Exceptional Children

The possibilities of establishing a San Mateo County Chapter of the International Council for Exceptional Children will be discussed at a 10 a.m. meeting Saturday, May 23, at El Portal del Sol school, 3601 Curtiss street, South San Mateo.

In announcing the meeting, William S. Herbig, coordinator of special education, San Mateo county superintendent's office, stated that parents and friends of exceptional children have expressed a desire for such a chapter for some time. The forthcoming meeting will give interested citizens an opportunity to voice opinions in a concrete way.

served so magnificently by this organization. Most of all remember to Buy Your Poppy!

Making their monthly visit to Letterman General Hospital to play bingo with the boys were MESDAMES LYNN BOSKEY, GRACE HILL, JEANNE BOWERS, and CLARA POKET. These ladies, all members of Hillcrest Circle, UAOB, raffled a lamp at the social held after their installation. The donations from this proceeding went to pay for the prizes for the bingo games.

Arriving home for the weekend and bringing a friend as usual, was Appr. Seaman WILLIAM A. BEECHER. The Beecher family, like many others, is getting to rather like the idea of the boys who each week visit their homes. The boys really appreciate "a home away from home" and a meal like Mom used to make. They are all grand boys and a pleasure to have in our homes. Besides, one never knows just when it will be your boy's turn to be stationed away from home.

News and Views
RAYMOND BRUSH, son of the WILLIAM BRUSHES of Niantic avenue, was one of the many boys who ushered at the evening performance of The San Francisco Story, a play given by Riordan high school in their auditorium last week. This play was ably performed and well worth seeing. There were capacity crowds at each performance and all who attended not only enjoyed the play but went away amazed at the acting ability of the younger generation.

Seems last week an article was written by me to extent that the Floral Arts nursery, whose entry won first prize, was a member of the Daly City Garden club. The congratulations should have gone just to the nursery and not to the Garden club as the members feel that they should take no credit—the nursery not being a member. Sorry for the misunderstanding or misinterpretation of the news.

Having a family picnic at Memorial Park last week were Mr. and Mrs. JOHN ARGUELLO of Los Banos avenue and their son, JOE BARROS, and family and daughter, PAULINE SUMMERFIELD, and family and Miss Marjorie Corrine Arguello. They were joined by other members of the family and friends for a day spent in all around fun.

Seems that the latest victims of the measles epidemic has been the WALTON family of Knowles avenue. Some of the children have had the measles and those who don't have them at the present will be sure to get them so if you don't see your neighbor and mine, Molly, you'll know that she is still playing nurse maid to the measles.

THE HOBBY SHOW, held in the Memorial Building last Sunday, was a most complete success. According to MRS. EVE HOBBS, chairlady of this event, there were more hobbies than ever were expected. No name a few—coin collections, doll collections, stones from all over the world, and the airplane collection submitted by the Sky Lot Hobby Shop of Daly City.

As is usual in a event of this kind it takes more than one person to put it over, so Eve would like to take this opportunity to thank the following people who worked so hard and gave so much: MESDAMES MAMA LOMBARD, MADELINE FELLOWS, LYNN BOSKEY, GRACE HILL, ANN INGERSOLL and ADA JANS-TRUMSKE.

In addition to these there were all the teachers who spent so much time helping, the fire department, the police department—members of not only Hillcrest Circle but of Cypress Circle and Olive Grove—MR. MONTE DAYTON OF THE RECORD who has faithfully given publicity and the board of recreation, represented by MR. JAMES MASON.

Among the younger generation who donated so generously of their time was Miss Sharon Casad. Neighbors, everyone here about all the nonsense the youngsters get into but you should have seen the good things that they have accomplished. One and all who attended this affair are of the opinion that it definitely should be made an annual doing. Congratulations to all who worked so hard for "your children and mine."

Well neighbors, this has been a week filled to the brim with news as you can see. It has been fun getting it out for you and keep it coming. Remember—the phone is still PL 5-6482 and I'll be waiting to hear from you. "Eye now,

Colma PTA Board Spaghetti Feed Slated For May 26

A "no host" spaghetti luncheon will be served at the regular Colma PTA executive board meeting Tuesday, May 26, at the home of Mrs. Sanford Vickers, president. Plans for the forthcoming "promotion parties" will be made.

Mrs. Edward Dennis, recreation chairman, assisted by Mrs. Sanford Vickers and Mrs. Roy Foster, cooperated with the Hillside and Jefferson High school PTA in the hot dog sale at the May Day Festival.

It is regrettable but unintentional that acknowledgement of help was not made to the committees that served in the R. S. Thornton school for the May Day program. Special belated thanks to: Mrs. M. Carr, R. Caruso, F. Cox, S. Danielle, E. J. Dennis, D. Falk, R. D. Lewis, M. C. Mofziger, L. A. Moran, J. J. Offenback, C. R. Olmanson, D. A. Richman, L. R. Schudar, H. Schuback, A. Segali, H. J. Sillick, E. J. Snow, M. Sussman, W. J. Swatsfager, L. Verna, and W. R. Whalen.

When we came here from the East Coast, we discovered... Gas and electricity are cheap in California

says Mrs. Richard W. De Bruyn, of Vallejo, shown with her husband and children

How P. G. and E's low rates save the De Bruyns money in their pretty Vallejo home, the De Bruyns use these appliances to make living more pleasant:

The De Bruyns' P. G. and E. bill for a recent month... \$13.38

The same amount of gas and electricity in their former Eastern home would cost \$31.10

When Mr. and Mrs. De Bruyn moved West they found that gas and electricity cost much less in California. While nearly everything else has doubled in price, P. G. and E.'s combined rates are lower than in 1938. Let bargain gas and electricity do more of your work, make your life more comfortable.

Hillside PTA Plans Party For Graduates

The Colma students who graduate this year are looking forward to the graduating party which will be held Friday evening, June 5.

The Hillside PTA is assisting in the plans with the parents of the graduates in making the party a success.

Mrs. William Cheatham is the chairman of the committee that was appointed at the Hillside PTA board meeting held last Monday night. The meeting was held at the home of the new president, Mrs. A. J. Gaggero.

The ratification of the new chairman at the last board meeting is as follows: Membership, Mrs. Fred Bertetta; budget and finance, Mrs. Fred Wittig; maga-

zines, Mrs. G. Landi; yearbook, Mrs. Richard Mollison; hospitality and room representative, Mrs. Joseph Verducci; parent education, Mrs. H. Z. Weibel; citizenship, Mrs. John Hiller; radio and television, Mrs. E. A. Beber, program, Mrs. Charles Hansen.

Mrs. F. O. Klassen handed in her resignation as historian of the unit to take over the chairmanship of publicity and newsette.

The unit expressed their gratitude to Mrs. Kurt Gehrman, who opened her home so the unit could prepare the hot dogs that were sold at the May Day festival. They also thanked Miss Maxine Tebeau, a pupil at the Benjamin Franklin school for the 3-dimensional hot dog poster, which was used on the booth.

Rhythm Band Gives PTA Performance

The last regular meeting of the Bayshore PTA took place May 13 in the Bayshore school auditorium.

Miss Jean Meeney's first grade rhythm band rendered the following selections: "With Castanets," "Shadows," "Ratapan," "Serenata," "Waitz No 5" and "Le Sercret."

The following children took part: Elaine Baioni, Alma Englund, Darlene Godbout, Janice Higgins, Sandra Martin, Wilma Ruetz, Kathleen Santos, Catherine Slinger, Rosemary Soo, Gail Thoms, Janice Doyle, Sandra Punesak, Lanette Dieter, Charlene Wong, Doreen Aguilera, David Barbara, John Broda, Mary Coil, Rory Caster, Danny Gadd, Joy Gammie, Donald Glendenning, Jimmie Krieger, Billy Pato, Jess Peters, Ronnie Rodgers, Paul Sekulich, Allan Smith, Martin Basques and William Lawler.

The fifth and sixth grade students, under the direction of Miss Gail O'Grady, danced three folk dances, "Road to the Isles," "Cotton Eyed Joe," and "California Schottisch."

The following students took part in the dancing: Lucille Fureasi, Linda Weiler, Marilyn Counts, Louise Leberate, Dorothy Oliver, Kathleen Becker, Laurin Young, Helen Briggs, Diane Green, Shirley Molinaro, Maryjean Stephens, Kathy Andresen, Jeanie Datzman, Wandy Abbe, Karen Easley, Lois O'Brien, Jerry Tienken, Al Rapenecker, Dennis London, Gerald Bruce, Jack Porter, Ralph Canolore, Eugene Painchaud, Bill King, Robert Lynch, Charles Nottingham, Warren Stavelly, John Carpenter and Brent Crowley.

At the close of the business meeting refreshments were served by the teachers of the Bayshore school.

Meeting In Fairfield
The Friendly Twelve held their regular meeting at the home of Mrs. Julio Jordan in Fairfield last week.

Next gathering will be held at the home of Mrs. Ann Eason on Hanover street. At that time officers for the coming year will be elected.

SHERIDAN PTA PLANS SEWING MEET MAY 27

The Sheridan PTA will hold their next sewing meeting and luncheon on Wednesday, May 27, at 12 noon, at the Ocean View Recreation Playground Club House.

Mrs. J. F. Harrop and Mrs. R. M. Beach will be hostesses at the luncheon. All members and their friends are invited to attend. There is plenty of space for the small children to play, so bring them along, the PTA says.

The thirtieth annual review of the school safety patrols will also take place on Wednesday, May 27, at 1 p.m. in Kezar stadium.

Parents are urged to attend and cheer for their schools, as it encourages the boys and girls taking part to greater efforts in the performance of their duties.

Sheridan PTA plans to serve refreshments to their safety squads when they return to the school

after the parade. Mrs. Wayne Foote, hospitality chairman, and Mrs. Herbert Calenius, co-chairman, are in charge of the party.

Another blood donor day for the armed forces, sponsored by Sheridan PTA, has been planned for Monday, May 25, with free transportation and care of small children arranged.

Donors will meet at the home of Mrs. Paul Rau, 291 Lobos street, to be picked up by Yellow Cab at 10:30 a.m.

Mothers may leave their small children with Mrs. Rau while they make the trip to the Irwin Memorial Blood Bank.

Luncheon will be served them on their return. For further information, call Mrs. Robert Anderson, JU. 7-8287, or Mrs. Paul Rau, at JU. 4-2584.

Registration Today For Kindergarten

Today (Friday) registration for kindergarten will take place throughout the Jefferson elementary school district.

Kindergartens are located at General Pershing, Woodrow Wilson, Jefferson, Westlake and Garden Village schools.

Those whose surnames begin with letters from A to L will register from 9 a.m. to 12 noon, while those with surnames from M to Z will register from 1 to 3 p.m.

Children must have been four years old on or before December 2, 1952, to be eligible to attend kindergarten.

All prospective kindergarten children should be registered at the proper time today.

Parents have been asked to bring their children's birth certificates with them when registering and to report to the principal's office for instructions for places of registration in each building.

WESTLAKE LEGION POST TO HEAR NARCOTICS TALK

Westlake Post No. 535 of the American Legion announces that Lt. Paul Jensen of the San Mateo county sheriff's office will be a guest speaker at their next meeting Monday at 8 p.m. at the Westlake Lounge, 307 South Mayfair avenue.

Lt. Jensen is chief inspector in the department of vice of the sheriff's office, and he will speak on narcotics in San Mateo county. All interested veterans in the area are invited to come to this open meeting to hear Lt. Jensen, who is well qualified to speak on this subject, having been in the vice department for many years and being well acquainted with the problems arising out of the use of narcotics.

An interesting and informative time are in store for all who attend, and immediately following the meeting refreshments will be served by the Post.

Jefferson Eliminated By Caps In Playoffs

BEATEN OUT, 5-4, IN EXTRA INNINGS

Capuchino high school, nemesis for the Jefferson ball club all season long, did it again Tuesday to vanquish the Jeffs from a shot at the Northern Peninsula Athletic league crown.

The Mustangs, capitalizing on a few untimely errors by the Indians, eked out a 5-4 victory in an 11-inning elimination play-off Tuesday.

South S. F. defeated the locals the previous Friday, which found the NPAL race tied up in a five-way heat for first place.

Tuesday's game marked the third consecutive time that the Capuchino nine, which has been bested by nearly every PAL outfit, were victorious over Jefferson.

Coach Lou Martin's Jeffs held a 4-3 advantage going into the seventh frame. In the No. 7 canto a Cap man singled, then pilfered second. He made third on an error by Catcher Joe Madden, and was driven in with a single, to tie it up.

In the tenth frame the Jeffs threatened when Delbon singled, was sacrificed to second and moved on down to third on a single by Joe Lewkowicz. With two men on, only one away, Leo Villar, second baseman, attempted a squeeze play, popped up, and the baserunners were doubled out.

The break for the Caps came in the 11th, when Jeff short-stop Ray Rosa bobbled one, putting a man on base. The Mustang runner advanced to second, made third on a wild pitch and was driven home with a single that wound up the contest.

Don Delbon lasted five innings on the mound, being relieved by Lewkowicz in the last of the fifth when he got in hot water with two men on base, none away.

Lewkowicz turned in fireman's chores admirably by striking out two batters, forcing another to pop out.

Delbon, in his five frames, whiffed five batters, walked five and allowed two safeties.

Lewkowicz, who finished out the game, gave up three hits.

The second largest Pismo clam of which there is a record was 7 1/4 inches in diameter, weighed three pounds, 13 ounces and was 27 years old.

struck out six and gave passes to four hitters.

The contest, one of the longest of the season, lasted a full four hours.

Jeff Ball Coach Looks To Next Year; Says Prospects Fine

The local high school varsity baseball team, which came within a shade of nabbing the PAL championship this year, will return next year "much stronger," according to Coach Lou Martin.

Martin, who tutored the Jeffs for the first time this year, said that several new prospects should bolster next year's squad, which will feature many returning lettermen.

The fact that the Indians were tabbed early in the year to be the top PAL prospect was labelled by Martin as a "big build-up." Actually, he said, the team wasn't that good. However, he added, they shaped up fine as the season progressed and would have claimed the championship except for bad breaks in crucial spots.

Martin will be able to work the next few months with the nucleus of next year's nine thanks to a summer league which is now being formed. The league, of about double A quality, will consist of PAL teams.

Most of this year's regulars have indicated they will participate in the extra-curricular circuit.

The first game in the summer season is scheduled for June 17. The league will be handled in part locally by the Daly City recreation department.

Building material for Old St. Mary's church in San Francisco was brought both from China and around the Horn in the 1850s.

Jeff 30s Swimmers Best Pal Competitors

CHAMPIONS of the PAL in 30s competition are the swimmers shown above (back row, left to right): Ray Lippert, Eric Weyenberk, Ken Duncan and Allen Weiss; (front row) Ron Joy, Joe Bocci, Dale Kurnter and Roger Saunders. Not shown in photo are Bud Reynor, Andy Ruelas and Joe Marshall.

JUNIOR OLYMPICS AT HIGH SCHOOL SUNDAY

The Daly City-Colma Lions' version of the Olympics will be run off Sunday at the Jefferson high school field with upwards of 200 youthful entrants expected.

The activity is the fifth annual Junior Olympics, scheduled to get underway at 1 p.m. with three track and five field events.

Competition will be divided into boys' and girls' divisions, with A and B classes in each.

The A class is for seventh and eighth graders, while Class B is made up of children from the lower grades.

Each first-place winner will be awarded a trophy, while second and third place prizes will be ribbons.

Police Pistolmen Show Improved Scores In Sunday Competition At Colma Range

A short talk on firearms handling and safety precautions was given by Adolph T. Buck, former pistol instructor of the San Francisco police reserve, at the pistol shoot held Sunday in Colma.

Buck also outlined the history of the San Mateo County Police pistol team, paying tribute to Ray Ottoboni for the work he has done in forming the organization.

Sunday's pistol match was conducted by Ottoboni, with Buck acting as range officer and William Martens and Robert Geiger as statistical officers.

There was considerable improvement in the manner in which guns were handled in the match and the average scores were higher than those made in the first Colma match, April 16.

The county police pistol team plans to enter teams in the Oakland pistol matches June 7.

They have also received an invitation to compete at Elko, Nevada, on June 21 and 22.

Vince & Fred Pace Cocktail League

Vince & Fred's Liquors of Daly City took over undisputed leadership in the fourteen team Cocktail League at Brentwood Bowl as the bowlers moved into the fifth week of play. The Daly City keggers boast a 9-3 record. Millbrae's Capuchino Market is close behind with a 8-4 showing.

Andy Cautz of Jahn's Service continues to pace the league with a 186 average for twelve trips to the line. Included in Andy's total is a 235 single game and a 597 series. Globe Tavern has turned in the team single game with a 957, also the best team series with 2570.

SCHENONE PLACES IN NCS 880; TRACKMEN TRAVEL TO HOLLISTER

Jefferson's varsity track team at least made the scoring column in the North Coast section finals held at Berkeley Saturday.

Al Schenone, half-miler, placed fourth in that event to give the Indians two points and 23rd place in the meet with 78 northern California schools.

Schenone just missed qualifying for the state finals in coming fourth. The top three finishers in each event will go to the state meet.

Tonight (Friday) the trackmen wind up the season with the Hollister relays, which get underway at 7:30 o'clock. Coach Ernie Ribera will take along the entire varsity for tonight's competition.

SSF Evens Score With 2-0 Shutout Over Jefferson High

South San Francisco got even with the Jeffs last week, shutting out the locals, 2 to 0, at the local diamond.

The loss was a fatal blow to the Indians as it threw them into a five-way tie for first in the PAL, which forced league play-offs. The Jeffs dropped their first play-off Tuesday.

A two-run rally in the fifth inning ended a scoreless deadlock and gave South City pitcher Bob Blakeslee his fifth PAL victory.

Second baseman Leo Villar led Indians batters with two safeties in three attempts.

Joe Lewkowicz was the losing hurler. He allowed six hits.

Jeff Papooses Take Capuchino High 8-6

Jefferson High's Papooses took their fifth win of the season, downing Capuchino's nine 8-6 this week.

Al Figone, with three hits in four times at bat, and Bob Bailey, with two hits in three trips were the hitting big guns for the locals. Bailey belted a long triple in the fourth frame for the longest hit of the day.

The Papooses got eight hits and Capuchino nine hits.

Jeff Thirties Take PAL Swimming Title

Jefferson high's lightweight swimmers splashed to the Peninsula Athletic league swimming championship Friday, while the varsity eked out a slim 10 points and wound up fifth.

The 30s, under the tutelage of Lou Reese, were paced by Ron Joy, who captured the 50-yard free style in 27.1 and sparked the winning 100-yard relay team. Joy, Dale Kurtner, Eric Weyenberg and Bud Reynor went the distance in 49.6.

The Jeffs racked up a 63-point

total, beating out second-place Palo Alto by ten.

Best the varsity could do was a third in the 200-yard relay.

The quartet of James Galindo, Harold Diamond, Howard Kyle and Bill Allen pulled in third behind Sequoia and Palo Alto in the relay event.

Helping bring the championship to Jefferson were the following team members: Kurtner, sixth, 50-yard free style; Duncan, third, 100-yard breast stroke; Allen Weiss, fourth, 100-yard breast stroke;

Reynor, third, 50-yard back stroke; Ray Lippert, fourth, 50-yard back stroke; Weyenberg, third, 100-yard free stroke; Roger Saunders, fifth, 100-yard free stroke; Joe Bocci, second, 75-yard medley; Joe Marshall, second, diving; Andy Ruelas, third, diving. The 75-yard relay team of Lippert, Duncan and Saunders placed third.

The Indian mermen travel to Santa Clara tomorrow for the North Coast section finals at the university pool.

Blanchard Hits .416; Wins Batting Crown

Larry Blanchard, Jeff's hard hitting outfielder, took the Northern PAL batting crown by finishing the season with a .416 average, while his teammate Don Delbon captured the fourth place position with a .393 average.

Blanchard, who moved up from a .385 average of last week, collected 12 hits in 29 trips in winning the crown over John Witherspoon of South San Francisco High school.

His teammate Delbon got 10 safeties in 28 times at bat and was also one of the league's leading pitchers. Delbon's and Blanchard's athletic prowess is not limited to baseball. Both were among the top four scorers of the Northern PAL basketball league last winter.

In team batting, the Indians finished third with an average of .276. The Jeffs collected 72 hits in 261 trips to the plate. Delbon and Blanchard were responsible for 29 per cent of the team's hits. Individual batting averages are

based on at least 23 official trips to the plate in 10 games.

VOLLMER COMPLETES FAR EASTERN TOUR

Daly City Racing Fan Will Be In There Pitching Again This Year

BACK IN THE driver's seat after a long spell away from race track piloting is George Bignotti,

local florist and racing enthusiast. George has given up driving for the time being, but still is active in building hard-tops and midguts.

Stock car shown here will be raced every Thursday at the Oakland Speedway. THE RECORD photo

D.C. Florist's Hobby Is Exciting Pastime

There's a lot of difference between driving a semi-souped-up stock car around a track at 70 miles an hour and making an orchid corsage, but George Bignotti, local florist, can perform both equally well.

Ever since Bignotti used to watch his brother, Al, spin the stock cars around the turns, he has been fascinated with the sport. This was about 15 years ago, and since then George has owned and driven innumerable cars and made quite a name for himself in Bay Area racing circles.

Race For Cash
"At first," he points out, "racing was a money-making proposition." Now, however, since he operates the Tanforan florist shop here, it has become just a hobby with him.

Bignotti started building his own cars, midguts, before the war. Later he began building and racing an average of three autos a year. During the past six years his cars won the Bay Cities Racing association championship five times—his other effort was a second, and that in his first year.

In the hard-tops, George has racked up considerable prestige as a driver. Two years ago at Oakland he won 14 main events out of 20. Although he makes the turns at speeds better than most other drivers, he's never yet up-ended a car.

At the time he was driving, it was then a means of livelihood.

Many Duties
However, since he and his wife, Carol, had their first child, and with the many duties to be at-

tended to at his flower shop, Bignotti finds little time for driving these days.

But now that the rush season for florists is over, he expects to devote a good deal of each week to building and tuning-up cars.

From now until late October, the height of the local racing season, Bignotti's schedule will find him in his auto shop two or three nights a week, with another two nights set aside for watching the races. If there's any waking hours left after that, he explains, "we watch television."

Agabashian Tops
Foremost driver ever to sit in the bucket seat of Bignotti's cars was Fred Agabashian, who can hold his own with any of this nation's speed-burners.

Fred was such an active driver that George kept two cars in condition for him, one for use as a spare.

Agabashian has now gone into semi-retirement, reserving his energy for the Indianapolis class, held every Memorial day.

This year the famed driver will be piloting a \$25,000 car built by Curtis of Los Angeles. According to Bignotti, Agabashian's chances are "excellent."

Bignotti's spouse is just as much a race fan as her husband, but she "enjoys the races much more" now that he's no longer driving.

As Bignotti points out, "The element of danger is always there."

Car on TV
Local racing filberts who would

like to see one of Bignotti's cars in action can do so every Thursday night on Channel 7 between 9 and 10 p.m.

The event is the "Battle of the Speedway" at the Oakland track. George Shinary and Jim Graham are co-owners of the car with Bignotti. Graham will be in the driver's seat.

Bignotti also plans to begin work soon on a new hard-top. "Sometimes a car is totaled," he explained. "This way we'll have a spare."

News From The Parks

Marchbanks Park
Cub Pack 84 kept their undefeated record intact last week, when the Broadmoor youngsters pounded out a 6 to 4 victory over Pack 123 to win the National League title of the annual West of Twin Peaks Cub Scout Softball Tournament.

The Broadmoor club, behind the fine pitching of Bobby Goodwin and sensational fielding of third baseman Jimmy Heick, had too much class for the game but out-manned 123 outfit. Hitting stars of the day were first baseman Terry Christman, who blasted out three hits, and Bobby Goodwin who collected two singles in four trips to the plate.

Cub pack 84, under the capable handling of former amateur boxing champ, Buddy Christman, have seven consecutive victories to their credit and have yet to taste defeat. This talent-laden ball club meets the winners of the American League on May 24 at McCoppin Square playground to decide the West of Twin Peaks championship.

Members of this hard-fighting team are Webb Parker, c; Bobby Goodwin, p; Terry Christman, 1b; John Taylor, 2b; Donnie Harris, ss; Jimmy Heick, 3b; Eddie Heskett, lf; John Dougherty, cf; Dixie Howell, rf; and Jerry Hyndman, rf.

OLPH Whips Westlake
Last Tuesday a hearty group of Westlake 6th graders journeyed to Marchbanks to battle the undefeated OLPH "B's." The surprisingly strong Westlake team jumped to an early three-run lead. Pitcher Joe Murphy of the "B's" received poor support from his squad afield.

The Catholic school club came back strong in the third inning to drive across four runs giving them a one-run bulge. The West-lakers fought back gamely in the final two frames, scoring a pair of runs, but were nipped at the finish 6-5 by the determined Perpetual Help team.

On the following Thursday these same two clubs met again at Marchbanks. Solid hitting and good defense enabled the Catholic school team to keep intact their undefeated record as they downed the Westlake nine 5 to 1.

Suds Beat Tigers
The Daly City Suds upset the strong Marchbanks Tigers 7 to 1 behind the one-hit pitching of rapid Ronnie Bloom last Saturday afternoon on the Marchbank field. The Suds, led by long ball hitters Don Ricci and Darryl Hadley, blasted out eight hits against the right handed pitching of Frank Meechi. Ricci smashed a triple in the third inning, driving in two runs for the games longest blow. The hitting of Bailey and Storm was the only bright spot in the Tigers poor showing.

Boy of the Week
Because of his willingness to cooperate, his outstanding leadership ability and sense of fair play, Jim Wilson has been selected Marchbanks "Boy of the Week." Jim is a seventh grader student at Colma school and an outstanding baseball prospect. This left handed pitching youngster is really a credit to the community.

Passtime Club Wins Cage Title
The fast-breaking Passtime club of San Francisco defeated the strong Hoyt Water Heater five to cap the Recreation Adult bas-

ketball league last Tuesday at the high school gym.

The win for the visiting club marked the second in a row over the Hoytmen who faded in the closing minutes to drop a closer 51-49 decision.

The story of this hard fought ball game was told on the free throw line as a total of 49 fouls were called on the two teams. The Passtime five were able to rack up 23 points via the foul line while the local team managed to hit for 18 points.

The Hoytmen came apart at the seams early in the fourth quarter when Sears, Milkovich, McKenzie and Rodden; four out of their first five, fouled out.

The main offensive threat for the Passtime Team was Swede Otterback who played a splendid floor game while hitting for 13 points. Dick Sears of the losers went on a one man scoring spree as he plunked in 19 points before fouling out.

A beautiful trophy 18 inches high was presented to the Passtime captain, Joe Dillon, by Recreation Director James Mason. The Recreation department wishes to take this opportunity to thank the Jefferson high school for the use of their facilities and the cooperation of the physical education department.

NOTICE OF SALE OF BONDS
—of—
JEFFERSON ELEMENTARY SCHOOL DISTRICT
An Elementary School District of the County of San Mateo, State of California

The Board of Supervisors of the County of San Mateo hereby invites sealed proposals for the purchase of Eight Hundred Forty Thousand Dollars (\$840,000.00) worth of bonds of the Jefferson Elementary School District, an Elementary School District of the County of San Mateo, State of California, and bids therefor will be received by said Board of Supervisors up to the 2nd day of JUNE, 1953, at the hour of 10:00 o'clock A.M. of said day, when all bids received will be opened at the Chambers of said Board in the Court House, Redwood City, San Mateo County, California. Said bonds are numbered from 1 to 840, inclusive, and each is of the denomination of One Thousand Dollars (\$1,000.00) and shall bear interest at a rate not to exceed five per centum (5%) per annum, payable annually for the first year of the bonds have to run and semi-annually thereafter on the first day of DECEMBER and the first day of JUNE of each year, principal and interest payable in any coin or currency which on the date of their payment.

Is legal tender for the payment of any and private debts at the office of the Treasurer of said County of San Mateo at Redwood City, California, and will each bear date of JUNE 1st, 1953. Each bidder shall specify in his bid the rate or rates of interest he desires said bonds to bear, not to exceed five per centum (5%) per annum, and the premium offered, if any. Bidders may make one or more alternative bids or offers for said bonds at different interest rates. Split rate interest bids will be received and it shall not be necessary that all bonds offered for sale bear the same rate of interest, but such interest shall be in multiples of one-quarter of one per cent. The definitive rate of interest said bonds shall bear shall be determined at the time of sale. The best bid will be determined by deducting from the total amount of interest which the district would be required to pay up to the maturity of the bonds, the coupon rate or rates specified in the bid, the amount of the premium, if any, bid therefor, and the award will be made at the lowest net interest cost to the District.

The number of years said bonds will run and when payable are as follows:
\$35,000.00 of said bonds shall mature on the 1st day of June in each of the years from and including 1954 to and including 1959;
\$40,000.00 of said bonds shall mature on the 1st day of June in each of the years from and including 1960 to and including 1974; and
\$30,000.00 of said bonds shall mature on the 1st day of June in the year 1975.

Said bonds will be issued in pursuance of the election held in said school district on the 5th day of FEBRUARY, 1953, and in conformity with the laws of the State of California, and pursuant to and in compliance with and in the form prescribed by resolution and order of said Board of Supervisors adopted on the 5th day of MAY, 1953, and entered in the minutes of said Board, to which reference is hereby made for greater particularity.

At said election 1531 votes were cast, 1 of said votes being cast by absentee ballot, 1246 of said votes were cast in favor of the issuance of said bonds, 234 of said votes were cast against the issuance of said bonds, and 51 ballots were void and not counted.

Such proposals and bids may be addressed to said Board of Supervisors and bids may be made for either the whole issue of said bonds or for parcels thereof. Bids must be for not less than the par value of the bonds bid for and be payable in cash in lawful money of the United States. The right is reserved to sell said bonds as a whole issue or in parcels and to reject any and all bids. Bids must be accompanied by a certified check, certificate of deposit or cashier's check upon or of some responsible bank in the sum of Five Thousand Dollars (\$5,000.00), payable to the Chairman of the Board of Supervisors and conditioned that if the proceedings be legal the bidder will purchase said bonds at the price bid and pay for the same at the office of the Treasurer of the County of San Mateo within five (5) days after notice given that such bonds are ready for delivery. Said bonds will not be delivered prior to July 1, 1953.

The assessed value of the property situated within the said school district, as shown by the last assessment roll, is \$27,763,762.00, and there is an outstanding bonded indebtedness in the sum of \$558,000.00, which indebtedness will be reduced to \$548,000.00 on June 15, 1953.

The purchaser will be required to furnish his own legal opinion as to the legality of said bonds.

The Jefferson Elementary School District includes within its limits the incorporated City of Daly City and a large unincorporated area, and has a population of approximately 25,895. The district has within its limits two banks and numerous places of business. There is no controversy or litigation pending or threatened

Teacher Completes 35 Years At Pershing

"Never a dull moment" is the way Henrietta Engel, General Pershing kindergarten teacher, describes teaching children after a distinguished 35 years in the field.

Next month Miss Engel will walk out of the school building on Hanover street to retire from a position that she took back in 1918, after graduating from San Francisco Normal school.

She will leave the school with at least two all-time record achievements for the Jefferson elementary school district: Miss Engel has been teaching in the district longer than any other person and all of her 35 years were spent at the Pershing school.

It wasn't just an accident, either.

Made A Vow
After a short time at Pershing Miss Engel acquired such an attachment for the school and the little tykes she taught that she vowed to spend all her teaching days there.

"Henry," as she is referred to by the other faculty members, got the job by happenstance.

After getting her sheepskin in 1918, she was given a summer job in Daly City instructing a girls' Bible study group—her pay was a flat \$25 for the summer.

While there a minister informed her that the elementary district was planning to open a kindergarten that fall.

She signed up and started what turned out to be her life's work.

Classes Were Small
In those days her classes contained barely a dozen youngsters, as compared with recent classes which have been as large as 97.

In the more than three decades Miss Engel has tutored the tiny students, more than 2000 persons have "graduated" from kindergarten under her.

Many well-known Daly City families have seen three generations schooled under the able hand of Miss Engel.

Some of First
Some of those who were little toddlers in her earlier classes were Ray Sweeney, son of former Judge William Sweeney, Evelyn Bodien, daughter of Arthur Bodien, superintendent of the water department, Robert Crocker, local policeman, Robert Eason, son of high school trustee Ann Eason, the Augustin youngsters and many others.

Miss Engel has stayed with the kindergarten age youngsters because she "likes children of that age."

She confesses that on taking the

General Pershing job she "had a desire to make a record." Never during the 35 years did she even consider securing a new position and she never regretted her decision.

Watch Them Grow
The main factor in influencing her long stay at the school was the opportunity to watch the children's development and most of all "to see them grow up."

Many of her former students drop in occasionally to see her, a gesture that is testimony to her popularity.

In fact she regularly sees one of her former pupils, Evelyn Robertson, who is this year's General Pershing PTA president.

Miss Engel is just as faithful to her home as she has been to the school.

She's lived at 4225 22nd street in San Francisco all her life and has no plans for moving.

Travelling Hobby
But the fact that she is attached to job and home doesn't mean she doesn't get around. Miss Engel is widely travelled and most of her jaunts are recorded on camera. The movies and slides have provided many hours of enjoyment and education for her pupils.

Now that she has a little more time on her hands the retiring teacher plans to get in more travelling and devote some time to "things I haven't been able to do in the past." This means her schedule will be full of such vocations as reading, taking courses in upholstery, millinery and just general activity around the house.

Of course, she may even drop out to General Pershing school once in a while to say hello to faculty friends and her "children."

After 35 years the school is a part of her.

And, by the same token, Miss Engel has established herself as an important part of the General Pershing school.

As H. Z. Weibel, superintendent of the elementary district, sums it up: "It is said civilization grows from excellence in the individual. Civilization would grow rapidly if there were more Henrietta Engels. Her work in giving a good start in school to children can not be measured except in the lives and deeds of these children as adults."

Local Eagles At State Convention

Delegates of Colma Vista Grande Aerie No. 1848, F.O.E., are among the 500 Eagles from every part of California attending the 50th annual state convention which commenced in Fresno Thursday and will continue thru Sunday.

Local delegates attending are: Dell Fell, Jerry Summers, Bill Carrington, Joe De Bono, Reg Calvert and Edwin Smith.

Many other members of the Daly City Eagles are expected to be on hand during this meeting. Governor Earl Warren will be the principal speaker, with dances, parades and barbecues heading the social side of the event.

Fehl announced this week that the joint installation of officers for the Aerie and Auxiliary will be held on Thursday evening, May 28, at 8:30 p.m.

This affair, Fehl said, is open to all members and their friends. Ceremonies will be held at the Masonic Temple, Mission and Hillcrest.

Aerie officers to be installed are: Fehl, junior past worthy president; Summers, worthy president; Stanley Nygouski, worthy vice president; Joseph Rayla, worthy chaplain; Wilbert Carrington, secretary; John Mona, worthy conductor; Charles Bartha, inside guard; Edward Nelson, outside guard.

ACCUSED BURGLAR SAYS LOOT NOT AS MUCH AS CLAIMED

George Frederick Lucas, picked up in Los Angeles in connection with the burglary of a household here, has expressed some difference of opinion with the victim as to the amount of money taken.

He was brought here to answer to charges of burglarizing the home of Mrs. Dorothy Zorich, 2 Fieldcrest drive, on May 5.

At the time Mrs. Zorich reported \$1200 in cash and jewelry missing. Lucas claims the cash only totalled \$750, all of which he spent.

Lucas' apprehension was brought about after he had sent an anonymous letter to Police Chief Roland Petrocchi. He unthinkingly placed a Los Angeles return address on the back of the envelope.

General Pershing Teacher Sets Goal -- Stays On Job 35 Years

LISTENING IN RAPT interest are two of Miss Henrietta Engel's kindergartners, Joann Pollard and Greg Ryan. Looking on in rear is Miss Winifred McGrath, principal. In her 35 years as a teacher at General Pershing school Miss Engel has acquired a vast repertoire of stories, songs and games to delight Daly City's young fry. Her career will come to a close next month. THE RECORD photo

Lorraine De Fanti Feted At Shower

Nearly 50 friends and relatives were in attendance last Thursday at the Masonic hall when Lorraine De Fanti, Daly City librarian, was feted at a bridal shower.

The hall was fashionably decorated and refreshments were enjoyed during the evening.

The event was given by the sister of the bride-to-be, Enes Ciardella.

Gifts bestowed upon her consisted of a variety of kitchen implements.

Miss De Fanti will be married August 9 to Carl Rolland of Daly City, who is now attending college in Oregon.

HURRY HABIT
Some people are dangerous drivers because they are victims of the hurry habit, points out the National Automobile Club. Such drivers should remember that it is much better to have that habit broken by an act of their will, than to have it broken by their sudden and violent death.

No doubt about it...

Chevrolet trucks must be the best buy!

This year—for the 12th straight production year—truck users are buying more Chevrolet trucks than any other make. That couldn't be true unless Chevrolet trucks offered more of what you want.

Already, 1953's official sales figures tell a remarkable story of clear-cut and decisive preference for Chevrolet trucks. But, this is not surprising, for truck users everywhere are discovering how far ahead of all others Chevrolet trucks really are.

They are discovering things like the tremendous new power in advanced Loadmaster engines in heavy-duty models... the remarkable gasoline economy... the extra ruggedness and strength of heavier, more rigid frame construction.

And, in addition to all these advantages, the Chevrolet line lists for less than any other trucks of comparable size and capacity. So, before you buy any truck, stop in and see us.
